

Facility Assistant

The Downeast Institute is a marine research and education facility located on Great Wass Island in the Town of Beals. We have an immediate opening for an individual who enjoys taking pride in the appearance of a facility under their care, and will assume responsibility for cleaning and light maintenance needs on most of our campus which includes laboratory space, offices, restrooms and housing.

The position is part time, with potential to become full time, and to expand to include other duties and commensurate pay increases depending on individual interest. Hours are flexible. The hourly rate is negotiable. **Please call Jeff Robinson at 259-5038 to request an application.**
